## 11 Series Rectangular Body Photoelectric Sensor

1411R-6501

UPC:782113824642

### Dimensions:

- **Height:** 5.7 IN
- **Length:** 3.79 IN
- **Width:** 7.65 IN

**Weight:**3.7188 LB

### Warranties:

- 3 year

### Specifications:

- **Contact Configuration:** Depends on Output Module
- **Enclosure Material:** Noryl
- **Environmental Rating:** NEMA 4, 13
- **Input Voltage:** 115-125 Vac
- **Led Indicators:** Red beam status
- **Operating Mode:** Non Polarized Retroreflective
- **Operating Temperature:** 5° to 131°F (-15° to 55°C)
- **Sensor Type:** Retroreflective
- **Switch Type:** Photoelectric

### Supporting documents:

- [Eatons Volume 8-Sensing Solutions](#)
- [Eaton Specification Sheet - 1411R-6501](#)

**Certifications:** No Data

### Product compliance:

- Contact Manufacturer
