

**E10753**

MAGNET M5.0 BARRIUM FERRITE

**Accessories**

**Product characteristics**

Damping magnet

M 5.0

**Environment**

Ambient temperature [°C] -25...200

**Mechanical data**

Inside diameter [mm] 5

Housing materials Barium ferrite

Weight [kg] 0.056

**Remarks**

Pack quantity [piece] 1

**Other data**

Magnetic field strength [mT] 115
