

FE-11-EPA

Fiber optics

Product characteristics

Coupling system Duplex

Environment

Ambient temperature [°C] -30...70

Mechanical data

Design

straight

Length [mm]

2000, fiber attached on one side, 4 x 1000 mm

Min. bending radius [mm]

30

Fibre diameter [mm]

1

Fiber optic

PMMA

Sheathing

PE (polyethylene)

Weight [kg]

0.045

Remarks

Pack quantity [piece]

1
