

E20992

REFLECTOR LASER TS-15

Accessories

1: M3 8 mm deep

Product characteristics

Prismatic reflector

Ø 15 mm

Environment

Ambient temperature [°C] -10...60

Mechanical data

Design round; fixing by screw; M3; for retro-reflective laser sensors

Housing materials screw: stainless steel 316 / 1.4401; spring washer: stainless steel 316 / 1.4401; Nut: stainless steel 316 / 1.4401; front plate: PMMA; base: ABS

Weight [kg] 0.003

Remarks

Pack quantity [piece] 1
