

Dimensions

Model Number

FLT-500-AR

alignment aid for FLT...-500

Technical data

General specifications

Light type Red light

Ambient conditions

Ambient temperature -20 ... 60 °C (-4 ... 140 °F)

Storage temperature -20 ... 75 °C (-4 ... 167 °F)

Mechanical specifications

Degree of protection IP65

Material

Housing Makrolon GV30 black

Optical face Glass, red

Suitable series

Series TTA FLT

Release date: 2014-04-07 14:33 Date of issue: 2014-04-07 419525_eng.xml
