LS-Titan Miniature DIN Electronic Limit Switch

LSE-11

UPC:786685392530

Dimensions:

- **Height:** 2.99 IN
- **Length:** 1.22 IN
- **Width:** 1.32 IN

Weight: .1188 LB

Warranties:

- 1 year

Specifications:

- **Accuracy:** ± 0.02 mm
- **Connection:** Cage Clamps
- **Contact Rating:** 0.2A at 24Vdc
- **Contact Configuration:** Complementary PNP
Open Collector
- **Enclosure Material:** Polyamide PA66-GF25
- **Environmental Rating:** IP66, IP67
- **Input Voltage:** 12-30 Vdc
- **Led Indicators:** Single LED indicates status
and error
- **Maximum Dc Current:** 0.2A
- **Operating Temperature:** -13° to 158°F (-25° to
70°C)
- **Protection:** Short circuit protected
- **Switch Type:** Top Push Plunger, Electronic
Contacts
