

Product characteristics

Flow adapter (for low flow rates)

M12 x 1 - 1/8"NPT

Software / programming

Flow rate [ml/min]

15...400

Environment

Medium temperature [°C]

-25...80

Mechanical data

Design

for flow sensors and compact flow monitors; M12 x 1

Housing materials

stainless steel (316)

Type of mounting

via internal 1/8"NPT thread
any mounting position

Accessories

Accessories (included)

O-ring (FPM)

Remarks

Pack quantity [piece]

1
