

COMBIN. MOTOR-STARTER PKZ2

Powering Business Worldwide™

Part no. PKZ2/ZM-10/
S(110V50HZ,120V60HZ)

Article no. 063520

Technical data ETIM 4.0

Connection type main circuit			Screw connection
Protection type (IP)			IP00
Rated control voltage Us at AC 60HZ		V	120
Function			DOL starter
Setting range of overload releases		A	10
Type of coordination			2
Motor rating at AC-3, 400 V		kWh	4
Voltage type for actuation			AC
Rated operational current Ie		A	10
Rated control voltage Us at DC		V	0
Rated conditional short-circuit current Iq		kA	100
With short-circuit release			YES
Bus-capable			No
Rated control voltage Us at AC 50HZ		V	110
